## Qualified Agricultural Service Technician

As Isle of Man representatives for some leading agricultural brands we are looking for a full time experienced technician to join our team. We would be particularly interested in hearing from candidates who also share our drive to deliver an excellent customer experience through:

- Proven experience of working on a range of agricultural machinery
- Practical knowledge of current industry innovations
- A methodical approach to problem solving
- Excellent interpersonal skills
- A proven track record of being a supportive team member
- A well organised and motivated work ethic
- An understanding of the importance of record keeping

Professional development is encouraged and there will be an opportunity to undertake continued professional development through manufacturer led training schemes and certification. Self awareness of strengths and weaknesses will be encouraged and the successful candidate should be prepared to take joint responsibility for their career progression.

In return, the position comes with an excellent benefits package including; holiday and sickness pay, phone contract, clothing allowance, laundry service and a competitive salary.

If this position is of interest to you please complete the Pre-Application form on our website. Successful applicants will then be sent an application pack.
